The Knot enlisted the expertise of **DREAM WEDDING AND EVENT PLANNERS** to create a spectacular celebration at **THE INTERNATIONAL BANQUET CENTER AT THE ATHENEUM HOTEL**. Local wedding professionals showcased their designs and ideas, and The Knot gave back to the community by making donations to Feeding America.

KATHY BYRUM
Dream Wedding and Event Planners

"The theme for the party was 'An Evening in Paris.' The décor was decidedly French with black-and-white linens and beautiful centerpieces with brightly colored feather accents. The backdrop was a window view of the Paris skyline and specialty lighting created a romantic mood."
